RE: CARLTON HOTEL'S CORPORATE PARTY 2008

Dear Chris,

On behalf of the entire management team of Carlton Hotel, we would like to extend our appreciation to you and your team from Three Angles Production for the professional assistance rendered to us in making our corporate party a huge success.

The Sales & Marketing team has been receiving congratulatory emails and positive comments consecutively after the event. We would also like to thank Mr. Simon Foo who is a very professional and versatile show host. He has indeed live up to his reputation as a very good show host. It was the first time after being in the hotel industry for 19 years have I ever seen a corporate party as fantastic as this.

On behalf of the management team of Carlton Hotel, we would like to express our sincere thanks to Three Angles Production, for making our event a great success. We look forward to working with you and the rest of your team again soon.

Keep up the good work !

Once again thank you.

With sincere regards,
