Dear Dennis

### **ALEXANDRA HOSPITAL'S ANNUAL DINNER & DANCE 2006**

Alexandra Hospital's Annual Dinner & Dance, which was held on 9 September 2006 at the Meritus Mandarin went off with a "bang" and the exuberant atmosphere carried on till the end of the whole event.

The Committee met last to start off planning for the Dinner & Dance event. Two months to the date of the event we had to source for a new Event Management Company. We appreciate your willingness to take on the job at the 11<sup>th</sup> hour and from then on making this year's Dinner & Dance a tremendous success. Your company showed professionalism in the management of the event and were also attentive to client's need.

The decision to allow our committee members to work directly with the costume shop Masquerade was greatly appreciated. We were able to select the costumes that we required. Betty's years of experience assisted tremendously with the selection of the right costumes and make-up.

The M C did an excellent job of pulling the crowd together. He made the night fun and hilarious and almost everybody was able to "let their hair down".

The feedback was positive and Alexandra Hospital's Management felt that we have set a new benchmark. On behalf of the Dinner & Dance Committee and also Alexandra Hospital's Management, I would like to thank you for an "electrifying" night filled with an experience of a life-time.

Congratulations on a job well done and we hope to be able to work with you again in the future.

Yours sincerely
